

# CUBE POWER STRIP WITH 15W WIRELESS CHARGING

Item Code: IUPS-PCP-CUBE-W4PUSB

## 1. PRODUCT OVERVIEW

The IUPS-PCP-CUBE-W4PUSB is a highly versatile, space-saving power solution designed for modern workspaces. Featuring a compact cube design, it simultaneously accommodates multiple AC plugs and USB devices without blocking adjacent outlets. Equipped with QC 3.0 technology and a 15W fast wireless charging pad, it offers an all-in-one charging hub for your electronics.

## 2. TECHNICAL SPECIFICATIONS

AC Outlets	2 x 10/16A Bypass Sockets 2 x 10/16A Bypass/Schuko Sockets
USB Ports	1 x USB-A + 1 x USB-C™ (QC 3.0 Supported)
Wireless Charging	Up to 15W Fast Wireless Charging
Power Cord & Plug	1.5 Meters / Italian 16A Angled Plug
Dimensions	8.5 x 8.5 x 8.5 cm (Ultra-compact)
Color	White
Safety Protection	Built-in Overload Protection

## 3. KEY FEATURES

- Smart Cube Design:** The innovative 8.5 cm cube shape ensures that all 4 AC sockets and 2 USB ports remain fully accessible at the same time, preventing bulky power adapters from blocking each other.
- 15W Fast Wireless Charging:** Features an advanced high-performance chipset. Simply place your compatible smartphone on the top charging area for instant, cable-free power up to 15W. Fits most mobile phones.
- Multi-Device Power Hub:** Capable of simultaneously powering heavy-duty electrical devices (computers, table lamps) via AC outlets, while fast-charging smart devices (tablets, phones) via the USB-A and Type-C QC 3.0 ports.
- Travel & Desk Friendly:** Extremely comfortable and small enough to be easily stored in a backpack or briefcase, making it the perfect companion for home, office, and business travel.
- Certified Safety:** Equipped with a standard Italian 16A angled plug and comprehensive overload protection to safeguard your valuable electronics from power surges.
